**Planes, Trucks & a Movie!**

Sault Ste. Marie, MI –The Soo Pilots Association is hosting an airport open house and movie night for families and kids of all ages. Soo Air has secured the rights to animated family movie Wing's, and will be running it for one night only on Friday, September 29<sup>th</sup>.

“Where else can you watch an airplane movie IN a hangar next to planes?, “reported Tom Brown, of the Soo Pilots Association, “We want to remind everyone to bring their camp chairs and depending on the forecast, maybe a blanket.”

Sanderson Field will open to the public at 6pm and the community is encouraged to tour the terminal, check out the aircraft, see the inside of emergency vehicles and talk to the pilots and operators. The movie will start at 7pm and last approximately 90 minutes. Concessions will be available. Tickets to the event are just \$5 per person and can be purchased online through the Sault Convention & Visitors Bureau or at the door. Don't forget your camera and the kiddos. Last year children were able to climb into the planes and learn about the instrumentation.

Joining us this year are Soo Pilots, City of Sault Ste. Marie Fire Department, City of Sault Ste. Marie Police Department, United State Coast Guard and United State Customs & Border Patrol. It will be a busy night!

Join us at Sanderson Field, 2144 Meridian Street near Project Playground at 6pm on Friday, September 29<sup>th</sup>. If there is inclement weather the movie will still be shown.
